REVEALING NATURE AROUND US a fifteen year retrospective of art work

By Claire Harrison

"Revealing Nature Around Us", By Claire Harrison

This book is a 15 year retrospective of my art work containing 24 pages. Each double page spread is dedicated to a painting, with sketches, drawings, and photos with explanatory text of where my influences and ideas came from. This limited edition of 30 books are all personally numbered and signed.

£38.00
