## New Year Newsletter 2018

Happy New Year to all you, I hope 2018 is a happy, healthy, prosperous and creative for you and your family!

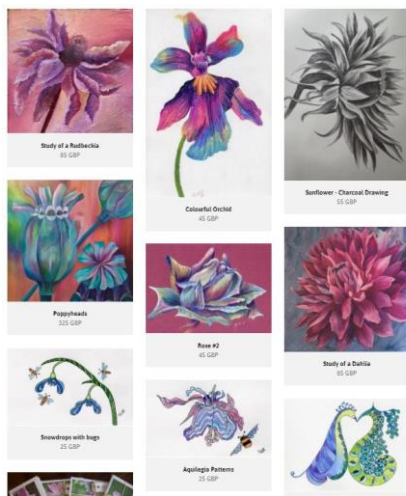

### [Free Giveaway and Art Project!](#)

Each week I will be drawing from what I see in my garden and surrounding landscape. This is to document the changing seasons and how they are getting earlier. I will be giving away a print of each of these drawings, which will be raffled to my newsletter readers at the end of each month. If you are reading this newsletter, you need not do anything, as you will be automatically included in the raffle!

I will email you if you win, and will be sending out a monthly newsletter with all the images as part of the project.
